

# **Announcement**

In response to several requests from participating teams regarding the overlap of the ICPC India Online Preliminary Round with the Simon Marais Mathematics Competition (SMMC), as well as requests from many teams citing festive engagements during the October month, the Organizing Committee has decided to reschedule the contest to last week of October or 1st week of November.

**The new date for the online round will be communicated in a weeks' time**

To accommodate this change, the last date for registration and fee submission has been extended to **24th October 2025**.

This decision has been taken to ensure maximum participation and avoid any inconvenience to contestants across institutions.
